Angel's Animal Rescue Society Policies

When animals are picked up as a stray by members of the general public or by Angel's Animal Rescue Society ("AARS"), they are held for 7 days in order to allow the owner time to claim their pet. Proof of ownership must be determined before an animal will be released. After the first 48 hours in the care of AARS, boarding charges will apply at the rate of \$25.00/day/pet. If vet care is necessary for the animals' wellbeing, we ask that AARS be reimbursed at the time of pick up for all expenses incurred that relate to the animal.

After 10 days, AARS will claim ownership of the said animal(s). The animal(s) will be tended to by a vet for vaccinations and spay/neuter and then added to our available adoptable pets. In order to reclaim after 10 days you will be required to adopt the animal or pay all expenses incurred by the animal while in AARS care. This will include boarding and any vet care expenses.

It is the responsibility of the animals' person to do all that is necessary to find their lost pet by contacting vets, dog pounds and animal shelters.

Most pound facilities will house the pet for 72 hours before euthanizing or re-homing. If AARS has rescued said animal from the city pound it becomes the property of AARS. If you wish to reclaim the pet, the adoption process must be completed and you will be considered as any other potential adopter.

* When AARS is contacted by the RCMP to collect an animal there will be a \$75.00 pickup fee in order to contribute to fuel costs and time.

* AARS only accepts cash for the above fees.
